Sir,

Sub: FIRE ACCIDENT - Special concessions - Grant of special injury gratuity - Request for.

Ref: 1.G.O.No.1490, Health dated 7-5-52.
2.R.No.80922-9-E2-51 dated 13-5-52 of the Director of Public Health, Madras.

I beg to submit that for the injuries I sustained in the fire accident at Puttur, South Kanara, the Government was pleased to order in G.O.No.1490 Health dated 7-5-52 that "the question of granting special injury gratuity will be considered when an application therefor is received".

From 9-11-51 to 21-2-1953 I was lying in the Government Wenlock Hospital, Mangalore as inpatient and also underwent two plastic operations during this period. For the treatment in the hospital, medicines such as penicilline, Pethidine, Atrophene, Insulin, Vit. B.Complex, Vit.C. Auromycitine ointment, tonics, protein foods and other medicines and medicinal foods were to be purchased for which vouchers were not available for claiming the costs as these medicines which were not really procurable in the local markets had to be got from various sources according to emergencies. Further an attendent was attending on me throughout my stay in the hospital as I was in a very precarious condition, bandaged from head to foot, and unconscious for days together and devoid of any strength even

to move the lips.

After a stay of one year, three months and thirteen days in the hospital, I was discharged on 22-2-1953. At the time of discharge, though all my wounds were completely cured and plastic operation a success, I was not able to stretch out my limbs and move about freely. In order to enable me to stand on my own legs, I underwent a further course of Ayurvedic special treatment like Dhara and massage along with ayurvedic costly drugs for six months.

During this prolonged and complicated treatment I had to look after my family, who solely depend on me, at least to give a hand to mouth living. For costly drugs, special tonics and medicinal foods, for keeping an attendant, for special ayurvedic treatment and medicines, for spectacles and for the upkeep of my family, in addition to the pittance I got as half pay, I had to raise loans month by month and in the last the documents of the house and garden which my father gave were pledged to meet the expenses of my treatment. Thus the fire accident not only gave me heart rendering sufferings and untold miseries, but also immersed me in a debt of Rs.5,000/- and if I fail to clear this debt even the roof over the head of my family will be deprived of.

I, therefore, most humbly present before you, Sir, the above cited facts and my present pathetic state for your sympathetic and esteemed consideration and beg to request that the Government may be pleased to grant me special injury gratuity as contemplated in G.O.No.1490 Health dated 7-5-1952(copy enclosed) and to save me and my family from the debt and mental agony.

Manantoddy,
22--10--1953.

Yours faithfully,
